SUPPLEMENTAL DISCLOSURE STATEMENT

Supplemental to the Information Disclosure Statement filed on July 19, 2004, enclosed is Form PTO-1449 identifying four (4) references. Also enclosed are copies of the two (2) non-U.S. patent references.

The present application is the United States National Phase of PCT/SE03/00103. The four identified references were cited in the International Search Report conducted in connection with the corresponding PCT application. Each of the references were cited

**I hereby certify that this correspondence is  
being deposited with the United States Postal Service  
as first class mail in an envelope addressed to  
Commissioner for Patents, P.O. Box 1450, Alexandria,

in Category A, indicating that the references are not considered to be of particular relevance to the claims, but merely defined the general state of the art.

The International Preliminary Examination Report issued in connection with the corresponding PCT application, concluded that the claims of the PCT application are patentable over each of the references cited in the International Search Report.

The claims of the present United States National Phase correspond to the PCT claims.

Respectfully submitted,
